### Practicum I

Fall 2020

- **St. Mary's Academy and Mini Marauders (45 hours)**
  - Observed 7th grade geography
  - Designed and taught a lesson over Canada's physical features, climate, and natural resources. Students used guided notes for the lesson and history on Canada.
  - Designed and taught on Presidential elections in the United States.

### Diversity Practicum (30+ hours)

Spring 2021

- St. Ann's Mission School
  - Spent time with students during Mardi Gras and made masks
  - Learn about Native American culture through encountering the community.
  - Assisted in cleaning the library
- Ministry on the Margins
  - Put together grocery bags of food for people who came through
  - Encountered people's lives through conversation
- Heritage Center Lesson
  - Designed and taught a lesson plan on early settlers in America and Native American life.
  - Elementary students came to the Heritage center for an interactive lesson at the museum

### Practicum II

Fall 2021

- **Bismarck Public High School (45+ hours)**
  - Observed 9-12th graders (AVID, Global Studies, and AP Government)
  - Learned how to differentiate curriculum to make the content connectable to all students and form strong relationships with them.
  - Designed and taught a reading lesson on main ideas and themes for the AVID class
  - Designed and taught a two-day lesson on current conflict between Palestine and Israel.
